E-Granthalaya

e-Granthalaya is a Library Management Software developed by **National Informatics Centre**, Ministry of Electronics and Information Technology, Government of India. e-Granthalaya is useful for automation of in-house activities of libraries and to provide various online member services. The software provides built-in Web OPAC interface to publish the library catalog over Internet. The software is UNICODE Compliant thus, supports data entry in local languages
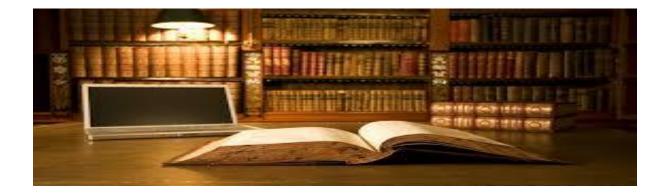

In our vidyalaya library details:
